Nation-building is constructing or structuring a national identity using the power of the state. It is thus narrower than what Paul James calls "nation formation", the broad process through which nations come into being.

Nation-building - Wikipedia

II. Building a Nation: Nations are an important part of modern society. If we go back into history, we see that the world used to be divided into empires and kingdoms. In the modern period, however, nations or nation states have replaced empires as the basic unit of human political organization.
