

chinas economic zones design pdf

China's Special Economic Zones (SEZ) are areas in which foreign and domestic companies can trade and invest without the same control and regulations from Beijing as other parts of China (Britannica.com). These areas are designed to encourage overseas investment in China and boost the country's economic growth.

The Development of China's Special Economic Zones

A thorough examination of the establishment and development of China's Special Economic Zones (SEZ). These eight SEZs marked a major milestone in China's g
