Our economy, our culture and our international reputation are all set to benefit from the world class sporting events that will be held here on home soil. Events such ...

Developing and supporting a world class sporting system

Classification of sports is individually governed by each International Federation in the Paralympic Movement, within the framework of the IPC Classification Code. As each sport differs, so too do their classification systems. This is because an impairment, its severity and location may cause relatively little impact on one sport and a significant impact on another.
