concepts of applied ecology | Download eBook PDF/EPUB

Not written as a substitute for any of the many textbooks on ecology, it is meant to present the simplest and most direct approach to a complex field as distilled out of my work as an applied ecologist, who deals with concrete daily problems in the real-world context of economics, politics, and logistics. I hope that it is useful to the reader who seeks an overview of applied ecology ...

Concepts of Applied Ecology. Authors: DeSanto, R. S. Buy this book eBook \$74.99 ... I hope that it is useful to the reader who seeks an overview of applied ecology, including sufficient specific detail to make that reader more comfortable with the field and more conversant with the capabilities and limits of ecologists and their tools. Each chapter is followed by a bibliography which has ...

Concepts of Applied Ecology | R. S. DeSanto | Springer

Description : Ecology: Concepts and Applications, 8th edition by Molles and Sher places great emphasis on helping students grasp the main concepts of ecology while keeping the presentation more applied than theoretical. An evolutionary perspective forms the foundation of the entire discussion. The book begins with the natural history of the planet, considers portions of the whole in the middle ...
