sissippi, the tide of war turned. on that day, while the great battle of gettysburg raged in the **book review -
tandfonline** - magnificent seven(1960) and the wild bunch (1969) can be seen to represent widespread shifts
in the public perception of the efficacy of u.s. foreign policy. by contrast, however, some of the connections
suggested in his analysis of, for instance, how the west was won (1963) or the stalking moon (1969) appear far
more ten-uous. he raises another significant issue through his assertion that ... **movies/television
